We are always in obedience to the concept of “ environmental friendly ”, “ Integrity First ”, strategy of sustainable development ”. We - Pedicco are sincerely looking forward to provide the most complete professional service and high quality products for business customers all over the world.

### CERTIFICATE

#### CE

CE mark is safety qualification mark but not quality qualification mark. Is the "main requirement" that forms the core of the European directive.

#### FSC

FSC's mandate is to promote environmentally responsible, socially beneficial and economically viable forest management, and it advocates voluntary, independent, third-party certification as the primary means of achieving these goals.

#### IAF

Applicable Country: Argentina, Australia, New Zealand, Austria, Belgium, Brazil, Canada, Chile, China, the Czech Republic, Denmark, Dubai, Egypt, Finland, France, Germany, Greece, Hong Kong, India, Indonesia, Iran, Ireland, Italy, Japan, Korea, Malaysia, Mauritius, Mexico, South Korea, Luxembourg, the Netherlands, Norway, Pakistan, the Philippines, Poland, Portugal, Romania, Singapore, Slovakia, Slovenia, South Africa, Spain, Sweden, Switzerland, Chinese Taipei, Thailand, Tunisia, United Kingdom, United States of America.

#### CARB

CARB is American regulation for the control of formaldehyde emission content in sheet metal. The code is one of the most stringent standards for formaldehyde emissions from composite wood products. CARB regulations of formaldehyde release than the domestic formaldehyde release standard seventy times more strict.

## FAQ

Q: When did you run Pedicco factory and company?

A:

Factory is started in the year of 1994, company is 2012.
